

SIMPLYE FOR ANDROID DEVICES

What is SimplyE?

SimplyE is a **free** app that allows you to search Buena Park Library's eBook and audiobook collection across multiple sources, all at the same time, and download them to your Android Tablet or Smartphone.

You will need an Android device (v 5.0 or higher), and a valid library card number and password.

SimplyE is not compatible with Kindle or Nook devices.

GETTING STARTED

Install the App

- Open the Google Play Store app and search for **SimplyE**
- Tap **Install**, then open the SimplyE App
- Tap **Agree** to accept the Terms of Service

Log In to your Library

- If it's your first time opening SimplyE, tap **Find Your Library**
- Otherwise tap the ☰ icon on the upper-left corner, then **Add Account**
- Locate and tap **Buena Park Library District** in the list
- Tap **Settings** in the lower-right corner, then **Accounts**, then select your library
- Enter your library card number and password
- Tap **Log in**

Select Your Library's Catalog

- Tap the ☰ icon in the upper-left corner
- Select **Buena Park Library District** from the list
- The library's catalog will appear
